22nd Day of February 2018

Dear David Allbritton,

This letter is written with honor on behalf of the International Association of Fire Fighters Local 1158 to endorse your election for Seat 4 of the Clearwater City Council on March 13th, 2018.

Your openness to improve the current fire fighter's pension plan along with your commitment to public safety sets you far ahead of your competitor. We look forward to strengthening our relationship in your upcoming term as we collectively improve the hours, wages and terms of conditions of employment to the fire fighters who proudly serve the City of Clearwater.

Respectfully,

Sean Becker
President, Local 1158
